

HOMELESS COUNT

Tuesday, January 21, 2020

VOLUNTEERS NEEDED!

On any given night in El Monte, more than 500 of our neighbors experience homelessness. Join us for the annual count organized by the Los Angeles Homeless Services Authority. The information collected is used to determine how much resources the community receives to fight homelessness. For more information, please contact the Housing Division at (626) 580-2070.
