

Cedar Avenue and Lower Azusa Road Zone 2 Street Improvement Project Update August 16, 2021

Project Description:

Project improvements are estimated to take place Monday through Friday from 8:00 a.m. - 5:00 p.m. through September 2021 and include concrete work, ADA compliance improvements, pavement improvements, utility adjustments, signage and striping. [For a current schedule of construction activities on your street, please click on the interactive map below.](#)

Last Week's Highlights:

- Contractor completed cape and slurry seal of selected streets near Arroyo High School and Cherrylee Elementary School
- Cape and slurry seal of other streets will occur after the Labor Day holiday
- Contractor continued installation of new handicap ramps and sidewalks

Upcoming Activities:

- Southern California Edison will be replacing existing streetlights throughout the project
- Continue with the installation of new concrete curbs, gutters and driveways
