

CITY OF EL MONTE

GO 'ROUND EL MONTE

The City of El Monte is working to reduce traffic speeds and improve pedestrian and bicycle safety for people walking, biking, and rolling near the five-points intersection of Mountain View Road, Meeker Avenue, and Elliott Avenue.

WE INVITE YOU TO SHARE YOUR FEEDBACK!

As part of the City's Go 'Round El Monte initiative, El Monte will host a bicycle audit to collect feedback on bicycle safety in the city.

BE A PART OF THE BICYCLE AUDIT.

The audit session will discuss existing street conditions, known hotspots and additional areas of concern. Join us in making a more bike-friendly city! Those participating will be entered into a raffle for a chance to win a \$50 giftcard!
