

CITY OF EL MONTE

**Public Works Department,
Transportation Services**

Drive electric, charge local

Electric Vehicle Charging Stations

As of February 2020, the City installed 42 electric vehicle (EV) charging station ports.

To charge your EV, download and create an account using the ChargePoint app.

The City offers EV charging stations to the public at
Valley Blvd downtown
(10707 Valley Blvd)
Civic Center
(11333 Valley Blvd.)
Metrolink Station
(10925 Railroad Street)

Charge at \$0.30 per kWh.

If you have any questions, call
Transportation Services at (626) 580-2217.
