

# EL MONTE STORMWATER URBAN MASTER PLAN

## Community Survey

The Master Plan will create a roadmap to improve water quality and create a more resilient El Monte. Among other goals, the plan seeks to:

**Enhance Water Quality**

**Enhance Habitat through Greening**

**Reduce Local Flooding**

**Recharge Groundwater**

**Community Education through Outreach**

**Reduce Heat Island Effect**

**Increase Shade & Tree Canopy**

**Increase Recreational Spaces**

**Increase Resilience**

Zipcode: \_\_\_\_\_

Is there a park or open space near you that needs improvement?

Explain. \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

In what areas have you seen flooding? Explain. Provide location or cross streets. \_\_\_\_\_

\_\_\_\_\_  
\_\_\_\_\_

What are the barriers to you spending more time outdoors at parks or walking? \_\_\_\_\_

\_\_\_\_\_  
\_\_\_\_\_
