AFFIDAVIT FOR ROOF PERMITS

PROPERTY OWNER'S DECLARATION

I, _____ (print full name), the legal owner of the mentioned property below, certify and declare under penalty of perjury that I am aware that the proposed roof shall be installed only on the structure built with the appropriate permits and approval. The statement "This permit does not imply approval for unpermitted structures" means that the permit being issued only applies to the specific work or activity it was granted for and does not authorize any structures or features that were built without proper permits. If there are unpermitted structures on the property, they may still need to be addressed or brought into compliance with local building codes and regulations.

LOS ANGELES COUNTY BUILDING CODE
 SECTION 106.2 UNPERMITTED STRUCTURES.

No person shall own, use, occupy or maintain any "Unpermitted Structure."
 For the purposes of this Code, "Unpermitted Structure" shall be defined as any structure, or portion thereof, that was erected, constructed, enlarged, altered, repaired, moved, improved, removed, connected, converted, demolished, or equipped, at any point in time, without the required permit(s) having first been obtained from the Building Official, pursuant to Section 106.1, or any unfinished work for which a permit has expired.
